

Enriching lives through innovation

August 16, 2011

Dear Huntsman Distributor:

Effective September 1, 2011 or as contracts allow, Huntsman will increase the list and off-list prices of all grades of Ethylene Glycol (EG) by \$0.03/lb, not to exceed the new list prices shown below. The prices for Diethylene Glycol (DEG) and Triethylene Glycol (TEG) remain unchanged. These increases in EG reflect the near-term supply/demand balances in the markets.

<u>Product</u>	<u>Bulk List Price FCA Port Neches, TX</u>
EG-Antifreeze Grade	\$0.68/lb
EG-Industrial Grade	\$0.68/lb
EG-Electrolytic Grade	\$0.70/lb
EG-UPR Grade	\$0.70/lb
E-GRADE® EG GLYCOL	\$0.71/lb
Diethylene Glycol	\$0.67/lb
Triethylene Glycol	\$0.98/lb

All prices listed above are for bulk product FCA Port Neches, TX, with freight for buyer's account. Terminal upcharges apply for select products. Price is based on ship date, not date of order placement.

**Please forward copies of this price increase announcement to all appropriate Accounts Payable and Purchasing personnel in your organization.**

We value the business that you have shared with us and trust that you understand the need for these price increases. Please do not hesitate to contact your local Huntsman account manager for further information.

Sincerely,

William A. Ruff  
Director  
Ethylene Oxides & Glycols
